## FIRST RESOLUTION

That approval is given to a budget provision of an annual sum (not exceeding \$30,000.00) to meet such of the following expenses of the Club that may be approved by the Board of Director's from time to time.

- i. Presentations to members (other than in form of money) or to other persons to acknowledge services which in the opinion of the Director's were of benefit to the Club;
- ii. Sponsorship by payment of money or provision of benefits to such sporting events, sports persons or community which in the opinion of Director's will be of benefit to the Club or the community;
- iii. The reasonable cost of meal and beverages for each Director or Senior Management Officer's at an appropriate time before or after a Board or Committee meeting and which is incurred on the day of that meeting;
- iv. Reasonable expenses incurred by a Director either within the Club or elsewhere in relation to duties of a Director, including the entertainment of special guests of the Club in relation to Club business and such other promotional activities as may be approved by the Board; and
- v. Reasonable expenditure of food and refreshments for Director's and Senior Management Officer's in entertaining guests of the Club in the Club dining rooms, where such expenditure is reasonable and properly incurred in the course of that Director's or Senior Management Officer's Club duties.

The Board of Director's shall, where appropriate, obtain production of proper documentary evidence of expenditure before authorising payment.

Items one (i) and two (ii) are inserted to meet the disclosure requirements of the Registered Clubs Act and the Corporation Law. They formalise items of expenditure which have been

shown for some years in the Club's Annual Accounts under various headings and which were previously approved by members on adoption of accounts.

Items three (iii), four (iv) and five (v) need not be included in the resolution as the Act allows those resolutions to be approved by the Board, but the Director's would prefer to inform members clearly of the type of expenses that may be approved by the Board and adoption of this resolution will confirm and set an upper limit on the amount to be expended.

## **SECOND RESOLUTION**

That approval is given to a budget provision of an annual sum (not exceeding \$30,000.00) to be used for such professional developments and education of Director's, the Chief Executive Officer or any other employee of the Club as shall be approved by the Board of Director's from time to time.

- i. The reasonable cost (including to cost of meals, accommodation and travel) of selected Director's attending the Clubs NSW meetings, the meetings of other associations of which the Club is a member, as well as educational industry meetings;
- ii. The cost of selected Director's attending formal functions to represent the Club (including but not limited to functions and dinners conducted by Clubs NSW in conjunction with its Annual General Meeting) and the cost associated with the attendance of Director's spouses' at any such function, where the attendance is expected or required;
- iii. Costs of, and incidental to, Director's fact finding and information tours including, but not limited to, seminars, trade displays, lectures, organised study tours and other like events as may be approved by the Board from time to time;
- iv. Attendance of selected Director's at gaming conferences and other educational or business related activities on behalf of the Club; and

- v. Such other reasonable out of pocket expenses incurred by the Chief Executive Officer, an employee or Director of the Club in the course of carrying out their duties in relation to the Club.

The Board of Director's shall, where appropriate, obtain production of proper documentary evidence of expenditure before authorised payment.

The Second Resolution is also not strictly necessary under the Act as all the specified expenditure can be approved by the Board of Director's without reference to a General Meeting of members. However, once more, the Director's would like to set out clearly for the benefit of the members, the type of expenditure being incurred to ensure that Director's keep up to date with current club industry developments and that the Club is represented by selected Director's and employees at various meetings of associations of which the Club is a member. The adoption of this resolution by members will confirm and set an upper limit on the amount to be expended.

### **THIRD RESOLUTION**

That the following honorariums be paid to: Chairperson (\$2,000.00), Vice Chairperson (\$1,000.00) and Directors {five [5] positions (\$500.00 each)} in respect of his / her services, such sums to be paid quarterly in arrears.

### **FOURTH RESOLUTION**

It was resolved to propose to nominate Mr Steven Walker of WalkerBDS Accountants and Business Development Specialists to be appointed as auditor of the Company from the conclusion of the next Annual General Meeting.

**NOTE TO MEMBERS**

- i. Each resolution must be passed as a whole and cannot be amended by a motion from the floor of the meeting or divided into separate resolutions;
- ii. To be passed, each resolution must receive votes in favour from not less than a simple majority of those members who, being entitled to do so, vote in person at the meeting; and
- iii. The payment and benefits referred to in resolutions one [1] to three [3] are not available to members generally, but to those who are Director's of the Club.

1. Section 41J (2) of the Registered Clubs Act requires the annual report to specify the Core Property and Non Core Property of the Club as at the end of the financial year to which the report relates.
2. Core Property;  
Is any real property owned or occupied that comprises;
  - a. The defined premises of the Club; or
  - b. Any facility provided by the Club for the use of its members and their guests; or
  - c. Any other property declared by a resolution passed by the majority of members present at a General Meeting of Ordinary members of the Club to be Core Property of the Club.
3. Non Core Property;  
Is any other property other than that referred to above as Core Property and any property which is declared by the members at a General Meeting of Ordinary members of the Club not to be Core Property.
4. The significance of the distinction between the two is that the Club cannot dispose of any Core Property unless;
  - a. The property has been valued by a registered valuer within the meaning of the Valuers Act 2003;
  - b. The disposal has been approved at a General Meeting of Ordinary members of the Club at which the majority of the votes cast support the approval; and
  - c. Any sale is by way of public auction or open tender conducted by an independent real estate agent or auctioneer.  
The disposal provisions and what constitutes a disposal for the purpose of Section 41J are to some extent modified by regulations made under the Registered Clubs Act and by Section 41J itself.

Example, the requirements in paragraph 4 do not apply to:

- a. Core Property that is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a registered valuer; and

- b. Core Property that is leased or licensed to a telecommunications provider for the purpose of a telecommunication tower.

**DEFINITION OF CORE PROPERTY**

- Defined space of the Clubhouse (building);
- Greens 1, 2 and 3
- Top Clubhouse
- Greenkeepers shed, barbecue area and toilet block
- Richmond Street carpark, carport and shed

**DEFINITION OF NON CORE PROPERTY**

Is any other property other than that referred to above as Core Property and any property which is declared by the members at a General Meeting of Ordinary members of the Club not to be Core Property.

Members, once again it is with pleasure that I present to you my annual report (my fourth in all) for the year ending 31 May 2018.

The new extension to the Club has made more room for members, allowing for bigger functions to be held, and giving the Club a great new look.

Although it is still ongoing with the amalgamation of the RSL Club, this should be cleared up by the end of December when the lease expires.

To all my fellow Board members, I thank you for your great assistance, it's been a pleasure to work with you all. To the staff led by C.E.O. Jarrad, Karyn and Jodie, and the great bar staff, thank you for your wonderful service and patience. To our greenkeepers, drivers and cleaners, thanks. Merle for Super Sunday, selectors of men and women's bowls, a big thank you. Lastly to Steve and Amy and their staff, thanks for your great meals and service, it draws a lot of functions to our Club along with visitors.

I would like to offer the Club's sincere sympathy to the families of the members who have passed away in the last year.

Now onto my reason for standing down from the Board. It has come about from a Clubs NSW recommendation that Directors serve no longer than ten years, and having served seventeen years, four of them as Chairman, it is time that someone else took over the reins. I sincerely thank all members for the privilege to have served on the Board of Directors.

Ron Dean  
Chairman

It gives me a great deal of pleasure to report to members a net profit of \$229,610 for the year ended 31st May 2018. This compares to a profit of \$167,470 for the previous year.

Although bar trading and gaming income decreased by 23% and 9.7% respectively, the deficit was offset by gains from sale of gaming machine entitlements and amalgamation contribution from the RSL Club.

Towards the end of the financial year, members would have been aware of the Stage 1 Club renovations taking place, and we would like to thank them for their patience and continued support during this period of disruption. These renovations are due for completion early October and will give members a Club to be proud of. The additional lounge space as well as a new indoor and outdoor gaming machine area, TAB facility and outdoor patio will give patrons a much more comfortable environment in which to relax and enjoy the Club's hospitality.

While the disruption did have an effect on trading, it was business as usual, albeit with reduced gaming machines and cramped facilities, but again we must thank everyone for continuing to support the Club.

To Club C.E.O. Jarrad and his staff, I would once again like to thank you for your efforts in keeping expenses to an absolute minimum without compromising the efficient running of the Club, and taking every opportunity to make sure that everyone was made to feel welcome while enjoying our facilities.

The year once again saw the Club as a Major Sponsor for many sporting organisations, continuing their support of the Tumut Blues Rugby League Football Club, Tumut Minor Rugby League, Wyangle Cricket Club, Tumut Turf Club, as well as basketball, netball and other sporting teams. Also, within the Club, the Men's Grade 3 Pennant Side was supported for their representation of Zone 8 in the State Finals played at Dubbo and the Ladies Senior Fours at State Championships at Taren Point. Many other organisations have benefited from donations from the Club and we continue to support these charities where possible.

In conclusion, I would like to thank my fellow Directors for their ongoing commitment to the Club and can only see our Club continuing to grow through the efforts of all members, management and staff.

Rick McAlister  
Treasurer

On behalf of the Board of Directors, management and staff, I present the 45th Annual Report for the year ending 31st May 2018.

The past twelve months have been an interesting trading period for the Club with a 10% decline in revenue across key areas of the business, seeing figures down on the previous trading period. This decline, particularly in gaming, was felt right across the state and with bar trading feeling the effects of two [2] major functions in the 2016 / 2017 financial year which accounted for the majority of the deficit in bar trading.

Always in the background was the amalgamation quietly dragging its feet which I feel has taken my focus off the day-to-day management of the Club and looks like going full term with the lease to be finalised in late December of this year.

On a positive, the Board and management have been strongly focused moving forward with its strategic plan, utilising a combination of our own finances and the amalgamated assets of the RSL to complete a much needed Stage 1 of the capital works program now and into the future. Along the way, maintaining our commitment to the local community through donations, sponsorships and in-kind support totalling over \$65,000.00.

Again, the staff have worked tirelessly and often late hours, from the management team, supervisors and bar staff to the cleaning department and on the greens to ensure members and their guests are looked after with the service and a smile that keeps them coming back, and not forgetting our caterers Steve, Amy and Jimmy for providing day-to-day catering needs and many large functions throughout the year.

I would like to thank those volunteers who have given their time to help out in and around the Club with Housie, gardens, bowls development and tournaments, barbecues and generally giving up their time for the betterment of the Club.

In closing I wish to thank the Board of Directors led by Chairman Ron Dean for their valued input and support through what has been a testing year. Under the Board's guidance I feel confident that the Club will continue to build a strong relationship with our members and the local community.

Jarrad Rossiter  
Chief Executive Officer

The 2017 – 2018 year has been another outstanding success for the Men's Bowling Club. Following on from last year's success in representing Zone 8 in the State No. 4 Pennant Play-Off's, our Grade 3 side has this year won the right to represent the Zone once again at State level at Dubbo in August. This is a great achievement, and the fact that all 4 sides from our District have qualified for State is tremendous. A big congratulations also to our Grade 6 and 7 sides for their efforts throughout the year, because without your participation both the Club and our District would suffer.

On the Club front, I would like to congratulate all of our Club champions and in particular Tim Crampton for his win in the keenly contested Club Singles. To those bowlers representing the Club in State Events at Temora in July, I wish you the best of luck. Unfortunately there has been some withdrawals from these events, and we will only now be represented in the Triples by myself, Andrew Annetts and Graeme Rossiter.

I would also like to acknowledge the efforts of Club C.E.O. Jarrad Rossiter for his dual role as Men's Secretary / Bowls

*Tim Crampton  
MBC 2018 Club  
Singles Champion*

Co-Ordinator, for without his input it is hard to say where this Club would be headed. To those who have volunteered as Social Selectors, and helped in any other capacity throughout the year, a big thank you. A special mention as always to our Pennant selectors. This is a thankless job that nobody wants to take on, but these 3 fellows have done a superb job once again to have us field 3 Pennant sides throughout the season.

Finally, this is my final report as President, and I wish my successor Graeme the best of luck, and will continue to work with him and the Club generally, to make our Bowling Club as strong as possible.

Thank you all,  
Rick McAlister President

This is my third and final report as President of the Women's Bowling Club, and I must admit to a feeling of disappointment that I have not been able to achieve my main hope when taking over the position, which was to get more ladies to take part in bowls at our club and provide a venue for players to enjoy themselves, socially as well as to improve their bowls.

This sadly for me, as President has not happened, with attendances at social bowls rarely reaching double figures. Our registered membership has dropped from 47 in 2015 to 30 this year, mainly due to age and people moving on and retiring from bowls, and also not being able to attract new members to our club.

This is an area which should be viewed as serious – even among those of us that do play regularly there has been reluctance, for various reasons for members to take part in our championships / competitions etc., even though we have tried single entries for both triples and fours championships.

On a brighter night we have done well in District events with members of our club winning the singles – Sue Franckiewicz, senior pairs – Maureen Dowling and Margaret Jones, triples – Sue Franckiewicz, Robyn Harris and Margaret Jones and senior fours – Sue, Robyn, Maureen and Di Keenan. The Fours combination also went on to win this event at Regional Play-Off's, and will contest the State Titles later this year – this will be a great learning curve for them and our best wishes go with them for great bowling.

Unfortunately our Pennant side went down to Gundagai this year – hopefully next year will be our year.

We have been represented at all the club and District tournaments in our area, and I do urge members to give these events support – they are really great days when we meet and enjoy time with other District bowlers.

Our own Annual Tournament was a great success with a strong representation from Canberra bowlers, who indicated that they have already booked their accommodation for next year.

On a very sad note we lost one of our dedicated players, Marg Pickering at the end of last year. She is remembered with

great affection from fellow bowlers, not only for her really good bowling, and also her support at our social events, she made great caramel tarts. Our sympathy and support go to husband Kevin and family.

I would like to say how having Maureen and Jenny working with me has made my job so much easier. I am appreciative of their ideas and suggestions. They have been by 'Girl Fridays' over my time in office. I wish Jenny will in her 'retirement' and she will always be welcome at any of our social functions.

To Anne, Vice President, I thank you for filling in for me on three or four occasions when I have been off doing other things. I hope with your new arm we will be soon seeing you back on the bowling green.

To our selectors, Vi, Marg and Sue who come in every Tuesday and Thursday an hour before anyone else, thank you for the time and effort involved in this and Robyn for organising our program, a very difficult task, trying to fit our days around all other dates for tournaments held in our region, my thanks to you all.

And talking social, Gloria, Janet and Fay our main ladies who do so much for all our functions, from catering for the Men's Pennants and Pairs Tournament, a very big job this year, to our own tournaments and social events. To the breakfast ladies who line up to provide breakfast at 6.30am to the men bowlers, you deserve a medal. There is a lot of work and time involved in what all of these ladies do and I urge all members to give them their support when needed.

Financially we are doing well mainly due to the monthly Saturday night raffles, and I thank those ladies who have made themselves available to sell the tickets. We have done some good things with our money, providing a hot water system and Bain Marie for the barbecue area and scoreboards for the No. 2 green.

I was relieved to see that we had nominations for all our positions this year, and I thank those who have put their hand up to stand and wish them all the very best over the year. There will always be the odd problems as in any organisation, but I

encourage all members to give them all the necessary support. Thank you all once again, although I am resigning from the President's chair I certainly am not retiring from bowls, so will be in constant contact with you all.

The entity is a not-for profit entity for financial reporting purposes under Australian Accounting Standards.

The financial report except for the cash flow information has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is measured at fair value of selected non-current assets, financial assets and financial liabilities the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted in the preparation of the financial report. The account policies have been consistently applied, unless otherwise stated.

**a) Property, Plant and Equipment**

Property, plant and equipment is carried at cost of fair value less, where applicable any accumulated depreciation and impairment losses.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other direct attributable costs and the initial estimate of the cost of dismantling and restoring the asset, where applicable.

Land and buildings, plant and equipment are measured using the cost model.

Property, plant and equipment, except land, is depreciated so as to progressively recognise the depreciable amount of the assets in the income statement over the period of their useful lives to the company. The following useful lives and methods of depreciation are used in the calculation of depreciation:

Furniture and Fittings	Straight Line	5-10 Years
Plant & Equipment	Straight Line	1-10 Years
Buildings and Improvements	Straight Line	40 Years

**b) Goods and Services Tax (GST)**

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

**c) Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost is assigned to inventory on a first-in first-out basis and is net of any rebates or discounts received.

**d) Income Tax**

The company is a not for profit entity with a main objective of providing quality sporting facilities in Tumut NSW. The company is exempt from income tax under section 50-45 of the Income Tax Assessment Act, 1997 (Cth). Consequently, no provision for taxation has been made in the financial statement.

**e) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, at call deposits and short term highly liquid investments with periods to maturity of three months or less from the inception date which are subject to insignificant risk of change in value. Bank overdrafts also form part of the cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

**f) Trade and Other Receivables**

Receivables for goods sold and services performed represent assets for goods and services provided by the company prior to the end of the financial year and were unpaid at 31 May 2018. Receivables are recorded at amounts due less any provisions for impairment.

**g) Trade and Other Payables**

Accounts payable for goods and services represent liabilities for goods and services provided to the company prior to the end of the financial year and which were unpaid at 31 May 2018. The amounts are unsecured and are usually paid within 30 days of recognition.

**TUMUT BOWLING & RECREATION CLUB LTD****NOTES TO THE FINANCIAL STATEMENTS (Cont)****Year Ended 31 May 2018****h) Employee Benefits**

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on costs. Other employee benefits payable later than one year have been measured at the net present value. Cash flows are discounted using market yields on national government bonds. Changes in the measurement of the revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the company and specific criteria relating to the type of revenue as noted below, has been satisfied.

**i) Revenue**

Revenue from sale of goods is recognised upon the delivery of goods to customers. Poker machine revenue is recognised upon the receipt of poker machine takings net of the payment of prizes. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Subscription revenue is brought to account in the year for which it is paid. Revenue for the rendering of a service is recognised upon delivery of the service to the customers.

**j) Financial Instruments**

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist.

At the end of the reporting period the company assesses whether there is any objective evidence that a financial asset group is impaired.

TUMUT BOWLING & RECREATION CLUB LTD

NOTES TO THE FINANCIAL STATEMENTS (Cont)

Year Ended 31 May 2018

**k) Impairment of Assets**

At the end of each reporting period, the entity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where the assets are not held primarily for their ability to generate net cash inflows – that is, they are specialised assets held for continuing use of their service capacity – the recoverable amounts are expected to be materially the same as fair value.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

**l) Critical Account Estimates & Judgements**

The directors evaluate estimates and judgements incorporated in the financial statements based on historical knowledge and best current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, both externally and within the Company.

**m) Amendment to Australian Accounting Standards**

The directors have considered the application of AASB108 "Accounting Policies, Changes in Accounting Estimates and Errors" and are of the opinion that the standard does not result in a material impact on the entity's financial report.
